

Please support us by signing up to Amazon Smile

Detailed Instructions for Amazon Smile

The first thing you need to do is to go to the Amazon Smile web site :-

<https://smile.amazon.co.uk/>

Instead of the normal www.amazon.co.uk logo, you should see the following logo on the web page :-

Unless you were already logged into Amazon before opening the Amazon Smile page, you will now be asked to Sign in - just use your usual email address or phone number and password to log in.

On the next page you can select us as your charity - under where it says 'Or pick your own charitable organisation:', in the text box enter :-

Bath Gateway Out and About

then click the Search button.

Finally on the following page where you should see our charity name, click the Select button (next to where it says 'Bath EW').

Note that from now on you should always use the smile.amazon.co.uk web site instead of the old www.amazon.co.uk one, otherwise we will not receive any donations when you buy something. After first signing up, Amazon may offer to install Amazon Assistant for you which will help to make sure you always return to the Amazon Smile site in the future, so it might be a good idea to accept their offer to install the Assistant.

You should always be able to tell whether you are on the correct AmazonSmile site, because instead of the www.amazon.co.uk logo, the smile.amazon.co.uk logo will be shown near the top left of the page, and also our charity's name **Bath Gateway Out and About** will be shown somewhere near the top of the web page.
