

The Coronavirus (COVID-19)

After careful consideration and much discussion, it is with much sadness that we have come to the decision to cancel all upcoming Club activities for the foreseeable future, which comes into effect as of today Monday 16th March 2020.

We are very sorry that you will not be able to come to Club for the next few weeks or maybe longer, but as a charity we have to consider the health and well-being of all of our members and volunteers above any other priorities.

Once we get the all clear I shall be in touch informing you of our starting back date.

Till then all take great care of yourselves.

My very best wishes to every one of you.

Becky
